4                   (4) the term “emergency” means an emergency  
 5                   declared or determined to exist by the President under  
 6                   section 501 of the Robert T. Stafford Disaster Relief  
 7                   and Emergency Assistance Act (42 U.S.C. 5191);

8                   (5) the terms “Indian tribal government”, “local  
 9                   government”, and “State” have the meanings given  
 10                  such terms in section 102 of the Robert T. Stafford  
 11                  Disaster Relief and Emergency Assistance Act (42  
 12                  U.S.C. 5122); and

13                  (6) the term “major disaster” means a major  
 14                  disaster declared by the President under section 401  
 15                  of the Robert T. Stafford Disaster Relief and Emer-  
 16                  gency Assistance Act (42 U.S.C. 5170).

17 **SEC. 3. REPORT ON RELOCATION ASSISTANCE.**

18                  (a) *IN GENERAL.*—Not later than 180 days after the  
 19                  date of enactment of this Act, the Administrator shall sub-  
 20                  mit a report regarding the use of relocation assistance  
 21                  under sections 203, 404, and 406 of the Robert T. Stafford  
 22                  Disaster Relief and Emergency Assistance Act (42 U.S.C.  
 23                  5133, 5170c, 5172) for wildfire risk to the appropriate com-  
 24                  mittees of Congress.

1       (b) *CONTENTS.*—*The report submitted under sub-*  
 2 *section (a) shall include the following:*

3           (1) *Any information on relocation projects that*  
 4 *have been carried out due to fire risks or denied by*  
 5 *the Agency, including the number and value of*  
 6 *projects either carried out or denied.*

7           (2) *A discussion of the possible benefits or dis-*  
 8 *advantages of providing relocation assistance that*  
 9 *may reduce, but not eliminate, the risk of loss due to*  
 10 *wildfires.*

11          (3) *A discussion of how the Agency may optimize*  
 12 *relocation assistance when entire States or geographic*  
 13 *areas are considered subject to a fire risk.*

14          (4) *An analysis of whether other mitigation*  
 15 *measures are more cost-effective than relocation assist-*  
 16 *ance when the applicant is applying to move from a*  
 17 *high-risk to a medium-risk or low-risk area with re-*  
 18 *spect to wildfires.*

19          (5) *An analysis of the need for the Federal Gov-*  
 20 *ernment to produce wildfire maps that identify high-*  
 21 *risk, moderate-risk, and low-risk wildfire zones.*

22          (6) *An analysis of whether other mitigation*  
 23 *measures promote greater resilience to wildfires when*  
 24 *compared to relocation or, if additional data is re-*

quired in order to carry out such an analysis, a discussion of the additional data required.

(7) A discussion of the ability of States, local governments, and Indian tribal governments to demonstrate fire risk, and whether the level of this ability impacts the ability of States, local governments, or Indian tribal governments to access relocation assistance, including an assessment of existing fire mapping products and capabilities and recommendations on redressing any gaps in the ability of the Agency to assist States, local governments, and Indian tribal governments in demonstrating fire risk.

(8) An evaluation of—

(A) the scope of the data available to the Agency regarding historical wildfire losses;

(B) how such data is utilized in benefit-cost analysis determinations by the Agency;

(C) what additional data, if any, may be pertinent to such determinations; and

(D) what, if any, alternative methods may be relevant to the determination of cost effectiveness.

(9) A discussion of the extent to which the decision process for relocation assistance appropriately

1        *considers the change in future risks for wildfires due*  
2        *to a changing climate.*

3            (10) *An analysis of whether statutes and regula-*  
4        *tions regarding relocation assistance by the Agency*  
5        *present barriers for States, local governments, or In-*  
6        *dian tribal governments trying to access funding to*  
7        *reduce wildfire risk.*

8            (11) *An analysis of—*

9            (A) *how, if at all, the Agency has modified*  
10        *policies and procedures to determine the eligi-*  
11        *bility of proposed relocation or mitigation*  
12        *projects with respect to wildfires;*

13            (B) *the cost effectiveness of such projects, in*  
14        *light of the increasing losses and obligations for*  
15        *wildfires in recent years; and*

16            (C) *the effectiveness of any modifications*  
17        *described in subparagraph (A).*

18            (12) *An analysis of how, if at all, recent changes*  
19        *in the availability of fire insurance has resulted in*  
20        *modifications of policy or procedure with respect to*  
21        *determining the cost efficacy of relocation assistance*  
22        *for wildfires.*

23            (13) *An analysis of how to define repetitive loss*  
24        *and repetitively damaged properties in the context of*  
25        *wildfires.*

1           (14) *Other related issues that the Administrator*  
 2           *determines appropriate.*

3   **SEC. 4. RED FLAG WARNINGS AND PREDISASTER ACTIONS.**

4           *Not later than 1 year after the date of enactment of*  
 5   *this Act, the Administrator, in coordination with the Na-*  
 6   *tional Weather Service of the National Oceanic and Atmos-*  
 7   *pheric Administration, shall—*

8           (1) *conduct a study of, develop recommendations*  
 9           *for, and initiate a process for the use of forecasts and*  
 10          *data, including information that supports the Red*  
 11          *Flag Warnings of the National Oceanic and Atmos-*  
 12          *pheric Administration and similar weather alert and*  
 13          *notification methods, to establish—*

14           (A) *plans and actions, consistent with law,*  
 15           *that can be implemented prior to a wildfire*  
 16           *event, including pre-impact disaster declarations*  
 17           *and surge operations, that can limit the impact,*  
 18           *duration, or severity of the fire; and*

19           (B) *mechanisms to increase interagency col-*  
 20           *laboration to expedite the delivery of disaster as-*  
 21           *sistance; and*

22           (2) *submit to the appropriate committees of Con-*

 2        *Administrator to carry out paragraph (1).*

3    **SEC. 5. ASSISTANCE FOR WILDFIRE DAMAGE.**

4        *Not later than 180 days after the date of enactment*  
 5        *of this Act, the Administrator shall brief the appropriate*  
 6        *committees of Congress regarding—*

7            (1) *the application for assistance and consist-*  
 8            *ency of assistance provided by the Agency in response*  
 9            *to wildfires; and*

10          (2) *the kinds of damage that result from*  
 11          *wildfires.*

12    **SEC. 6. GAO REPORT ON GAPS.**

13        *Not later than 1 year after the date of enactment of*  
 14        *this Act, the Comptroller General of the United States shall*  
 15        *submit to the appropriate committees of Congress a report*  
 16        *that examines—*

17            (1) *gaps in the policies of the Agency related to*  
 18            *wildfires, when compared to other hazards;*

19            (2) *disparities in regulations and guidance*  
 20            *issued by the Administrator, including any oversight*  
 21            *of the programs of the Agency, when addressing im-*  
 22            *pacts of wildfires and other hazards;*

23            (3) *ways to shorten the period of time between*  
 24            *the initiating of and the distribution of assistance, re-*  
 25            *imbursements, and grants;*

1           (4) *the effectiveness of the programs of the Agency*  
 2           *in addressing wildfire hazards;*
